

## ALL TOO WELL by Taylor Swift

**C G Am F** (all chords are as at left except as noted below)

I walked through the door with you  
The air was cold, but something 'bout it felt like home somehow  
And I left my scarf there at your sister's house  
And you still got it in your drawer even now

Oh your sweet disposition And my wide eyed gaze  
We're singing in a car getting lost upstate  
The Autumn leaves falling down like pieces in their place  
And I can picture it after all these days

**C** **G**  
And I know it's long gone, and that magic's not here no more  
**Am** **G** **F G Am G**  
And it might be okay, but I'm not fine at all.....

Cause here we are again on that little town street  
You almost ran the red cause you were looking over at me  
Wind in my hair I was there I remember it all too well

Photo album on my counter Your cheeks were turning red  
You used to be a little kid with glasses in a twin size bed  
And your mother's telling stories 'bout you on the t-ball team  
You tell me about your past thinking your future was me

**C** **G**  
And I know it's long gone, and there was nothing else I could do  
**Am** **G** **F G Am G**  
And I forget about you long enough to forget why I needed to.....

Cause here we are again in the middle of the night  
We're dancing round the kitchen in the refrigerator light  
Down the stairs I was there I remember it all too well

Interlude: **C Am G**

## ALL TOO WELL by Taylor Swift

**C G Am F** (all chords are as at left)

And maybe we got lost in translation Maybe I asked for too much  
But maybe this thing was a masterpiece 'til you tore it all up  
Running scared, I was there I remember it all too well

Hey you called me up again just to break me like a promise  
So casually cruel in the name of being honest  
I'm a crumbled up piece of paper lying here  
Cause I remember it all all all too well

Time won't fly it's like I'm paralyzed by it  
I could be my old self again But I'm still trying to find it  
After plaid shirt days and nights when you made me your own  
Now you mail back my things and I walk home alone

But your keep my old scarf from that very first week  
Cause it reminds you of innocence and it smells like me  
You can't get rid of it, cause you remember it all too well yeah

Cause there we are again when I loved you so  
Back before you lost the one real thing you've ever known  
It was where, I was there, I remember it all too well

Wind in my hair you were there you remember it all  
Down the stairs you were there you remember it all  
It was where, I was there I remember it all too well

Taylor's lyric poem above is beyond excellent. Yet... a very similar  
tragedy about love gained and lost was penned and sung two generations  
earlier by Joan Baez. Here is the video of her Diamonds and Rust:
