Intro: **E Abm Dbm A**

Song begins: 0:21

E
Summer after high school when we first met

Abm
We made out in your Mustang to Radiohead

Dbm A
And on my 18th birthday we got matching tattoos

E
Used to steal your parents' liquor and climb to the roof

Abm
Talk about our future like we had a clue

Dbm A
Never planned that one day I'd be losing you

In another life I would be your girl
We keep all our promises, be us against the world
And in other life I would make you stay
So I don't have to say you were the one that got away
The one that got away!

I was June and you were my Johnny Cash
Never one without the other, we made a pact
Sometimes when I miss you, I put those records on, (whoa)
Someone said you had your tattoo removed
Saw you downtown singing the blues
It's time to face the music, I'm no longer your muse

**In another life I would be your girl
We keep all our promises, be us against the world
And in another life, I would make you stay
So I don't have to say you were the one that got away
The one that got away**

**The o-o-o-o-one
The o-o-o-o-one
The o-o-o-o-one
The one that got away**

BRIDGE 02:32

**B Dbm A
All this money can't buy me a time ma---chine, (Nooooo)
B Dbm A
Can't replace you with a million rings, (Nooooo)
B Dbm A
I should've told you what you meant to me, (whoa)
B Bsus
'Cause now I pay the price**

**In another life I would be your girl
We keep all our promises, be us against the world
And in another life, I would make you stay
So I don't have to say you were the one that got away
The one that got away**

**The o-o-o-o-one
The o-o-o-o-one
The o-o-o-o-one**

**And in another life I would make you stay
So I don't have to say you were the one that got away
The one that got away!**
