And you know it will.

## Southern Cross - Crosby, Stills, & Nash

When you see the Southern Cross for the first time,  
You understand now why you came this way.  
'Cause the truth you might be runnin' from is so small.  
But it's as big as the promise,  
The promise of a coming day.

So I'm sailing for tomorrow, my dreams are a dyin'.  
And my love is an anchor tied to you,  
-- tied with a silver chain.  
I have my ship and all her flags are a flyin'  
She is all that I have left and Music is her name.

[CHORUS REPEAT] [Instrumental 2x: A G D D A G D A ]

So we cheated and we lied and we tested  
And we never failed to fail,  
it was the easiest thing to do.  
You will survive being bested.  
But somebody fine will come along  
make me forget about loving you.

At the Southern Cross.
