INTRO Dm C Bb

Dm C
We clawed, we chained our hearts in vain
Am7 Bb
We jumped, never asking why
Dm C
We kissed, I fell under your spell
Am7 Bb
A love no one could deny.

Bb Dm
Don't you ever say I just walked away
F Bb
I will always want you
Bb Dm
I can't live a lie, running for my life
F Bb
I will always want you

F C
I came in like a wrecking ball
Dm Bb
I never hit so hard in love
F C
All I wanted was to break your walls
Dm Bb
All you ever did was wreck me
Dm Bb
Yeah you, you wreck me

Dm C
I put you high up in the sky
Am7 Bb
And now, you're not coming down
Dm F
It slowly turned, you let me burn
Am7 Bb
And now, we're ashes on the ground

I never meant to start a war
I just wanted you to let me in **F**
And instead of using force **Am7**
I guess I should've let you in **Bb**
