

Lawrence Singer Watcher Notes 10-23-2012

Reported at 2:30 PM to witness signature verification on behalf of the Issue Committee to Pay City Council Members for 52 Meetings. I was escorted by Mary Beth, Watcher liaison. While I was waiting for Mary Beth one of the receptions at the front desk was talking to an Elector on the phone. At one point she said, “ just rip it up and we’ll send you a new one.” Just sounded strange to me.

Spoke with Molly Tayer directly about the Challenge forms I was told to use which requested the signature Challenge be sent to the District Attorney. Molly said she was discussing this topic with Secretary of Sate’s office. Said she would discuss with Clerk Hall and give me answer.

I reported to the signature verification room at 2:37pm. One Worker was at workstation 13 scanning in with wand the returned ballot envelopes with yellow stickers from USPS undeliverable. Scan of barcode was bringing up ID #, name, and address on list form. Example: 2:52 Harriet Hartman scanned in at workstation 13

I Watched at workstation 10, which on 10/22 I was able to see the screen. But today they moved the blue tape further back which made it hard to witness accurately.

Workstation	Time	Elector	Batch
10	2:45	Ashley Pena	** 62
10	2:46	John Holland	
10	2:47	Signature scratched out	
10	2:50	Kim Garcia	**
3	2:55	Deborah P. Smith	**
3	2:59	Christina Sp-----	
3	3:00	Dana Smith	**
3	3:05	Jean Stewart	**

Upon leaving at 3:12 I tried to locate Molly or Clerk Hall and was told they were not available.
