

Lawrence Singer Watcher Notes 10-26-2012

Reported at 5:15 PM as Watcher on behalf of the Issue Committee to Pay City Council Members for 52 Meetings. Watcher badge issued by Sydney Power.

Witnessed in Ballot Scanning room one Worker at computer with spreadsheet working on Early Ballots. Workers at open tables doing "Opening and Sorting" tasks.

I requested from Power to see the log with tracking of ballots arrival from various locations. Power said, "file a CORA request." Power said they make a count of the various sources of mail ballots and early voting centers. Told to file CORA report to see.

I was refused access to the Scanning Room where a Worker was "reconciling scanned batch runs and reports". Denied being able to see spreadsheet, "System H Scan Log".
