G Em C D x2
G
 I'm five years old
It's getting cold, I got my big coat on
             Em
  I hear your laugh
And look up smilin at you, I run and run
                   Em
 Past the pumpkin patch
And the tractor rides, Look now, the sky is gold
           Em
 I hug your legs
                 D
          С
And fall asleep on the way home
C D
                          G
 I don't know why all the trees change in the fall
                       G Em
  But I know you're not scared of anything at all
   Don't know if Snow White's house is near or far away
But I know I had the best day with you today
G Em
 I'm 13 now
And don't know how my friends could be so mean
   I come home crying
and you hold me tight and grab the keys
 And we drive and drive
Until we found a town far enough away
                  Em
  And we talk and window shop
                  D
Til I've forgotten all their names
```

С
                             G
  I don't know who I'm gonna talk to now at school
       I know I'm laughin on the car ride home with you
   Don't know how long it's gonna take to feel okay
   But I know I had the best day with you today
С
   I have an excellent father
Em
  His strength is making me stronger
С
  God smiles on my little brother
Inside and out, he's better than I am...
   I grew up in a pretty house and I had space to run
And I had the best days with you
  There is a video
I found from back when I was three
             Em
  You set up a paint set
in the kitchen and you're talkin to me
                 Em
 It's the age of princesses
and pirate ships and the seven dwarfs
                      Εm
My Daddy's smart And you're the prettiest lady in the whole wide world
C D
  Now I know why the all the trees change in the fall
                            G
  I know you were on my side even when I was wrong
And I love you for giving me your eyes,
  staying back and watching me shine
And I didn't know if you knew, so I'm takin this chance to say
I had the best day with you today
