F# C# G#m B
No words appear before me in the aftermath
F# C# G#m B
Salt streams out my eyes and into my ears
F# C# G#m B
Every single thing I touch becomes sick with sadness
F# C# G#m B
'Cause it's all over now, all out to sea

F# C#
Goodbye, goodbye, goodbye
G#m
You were bigger than the whole sky
B
You were more than just a short time
F# C#
I've got a lot to pine about
G#m
I've got a lot to live without
G#m B
I'm never gonna meet What could've been, would've been

F# C#
What should've been you
G#m B
---- could've been, would've been you...

[Musical Interlude] F# C# G#m B

F# C# G#m B
Did some bird flap its wings over in Asia?
F# C# G#m B
Did some force take you because I didn't pray?
F# C# G#m B
Every single thing to come has turned into ashes
F# C# G#m
'Cause it's all over, not meant to be
B
So I'll say words I don't believe

 What could've been, would've been you **G#m B**
F# What could've been, would've been **C#**
 What should've been you **G#m B**
F# What could've been, would've been you **C# G#m B**

 * This is the saddest, most emotional song I have ever heard, *
 * and maybe to anyone, everyone, else who has ever lost a child.*
