G **D** **Am** **C**
No words appear before me in the aftermath
G **D** **Am** **C**
Salt streams out my eyes and into my ears
G **D** **Am** **C**
Every single thing I touch becomes sick with sadness
G **D** **Am** **C**
'Cause it's all over now, all out to sea

G **D**
Goodbye, goodbye, goodbye
Am
You were bigger than the whole sky
C
You were more than just a short time
G **D**
I've got a lot to pine about
Am
I've got a lot to live without
Am **C**
I'm never gonna meet What could've been, would've been

G **D**
What should've been you
Am **C**
---- could've been, would've been you...

[Musical Interlude] **G D Am C**

G **D** **Am** **C**
Did some bird flap its wings over in Asia?
G **D** **Am** **C**
Did some force take you because I didn't pray?
G **D** **Am** **C**
Every single thing to come has turned into ashes
G **D** **Am**
'Cause it's all over, not meant to be
C **C**
So I'll say words I don't believe
