

CHOOSIN TEXAS By Ella Langley

[INTRO] Ebm7 C# Ebm7F# C# AbC#

0:17 Just when I thought I got him to fall in love with Tennessee
I should've known better than to take him back to Abilene
I put him right back into her arms
I wasn't a match for that kind of spark

0:42 She's from Texas, I can tell by the way
He's two-stepping 'round the room
And judging by the smile that's written on his face
There's nothing I can do

1:00 It doesn't take a crystal ball to see
A cowboy always finds a way to leave
Drinking Jack all by myself
He's choosin' Texas, I can tell

[Musical Interlude] F# C#

1:23 Well, I guess he forgot about the Smokey Mountain rain
 Them old Hank tunes, the Memphis blues we used to sing
 He always loved "Amarillo by Morning"
 I should've taken that as a warning

1:49 She's from Texas, I can tell by the way
He's two-stepping 'round the room
And judging by the smile that's written on his face
There's nothing I can do
