[VERY SLOW INTRO: Dm Bb Dm Bb

[Long Pause... Slow, Floating rhythm:]

Dm Bb Dm Bb  
Somewhere in Heaven wings are taking flight  
Gm7 Bb Dm  
Flying over a worldly weight of hatred  
Bb Gm7 Dm  
Hanging over a building in the rain

[Long Pause...]

Dm Bb Dm Bb  
You got to Heaven blown across the sky  
Gm7 Bb Dm  
Crying out for the angels to help you  
Bb Gm7 Dm  
To rise up out of the ashes and the flames

[Pause]

[Now With heavy rhythm:]

Dm Bb Dm Bb  
Send me half your angels We're running out of time  
Dm Bb Gm7 Eb  
Send me half your angels I'll send you half of mine  
Dm  
Hope they get there in time

And far below your Heaven hearts are wondering why  
Why would anyone hurt Gods children?  
How could anyone harm them at all?

Send me half your angels We're running out of time  
Send me half your angels I'll send you half of mine  
Hope they get there in time

SEND ME HALF YOUR ANGELS by Crosby & Nash

And while you're in Heaven sleeping on the wind  
Ask your heart to forgive this evil  
Ask your soul to forgive us all

Send me half your angels We're running out of time  
Send me half your angels I'll send you half of mine

Send me half your angels We're running out of time  
Send me half your angels I'll send you half of mine  
Hope they got there in time

Half your angels, goodbye
