But they said, How could it come to this? I'm really worried about livin'
How could it come to this. Yeah, I really want to know about this.

Then there came a time of Kings, Empires and revolution.
Blood just looks the same when you open the veins.

Sometimes it was faith, power, or reason as the cornerstone.
But the furrowed Brow has never left His Face. (God says...)

How could it come to this? I'm really worried about livin'
How could it come to this? Yeah, I really want to know about this.

<<<Musical Interlude>>>:

G - D - Am - Em - G - D - Am

G - D - Am - Em - G - D - Am

(We say...)

How could it come to this? I'm livin' in a landslide,
How could it come to this? Yeah, I really want to know about this.

Then there came a time, man packed up, Moved off from the planet.
He went to the moon, to the moon.

Now he's out in space, Hey, fixing all the problems.
He comes face to Face with God. He asks,

How could it come to this? I'm really worried about My Creation.
How could it come to this? Yeah, I really want to know about this.

G D Am
