

KEEP TALKING by Pink Floyd

0:00 - 1:12 [INTRO Stephen Hawking] Em Em7 Em7bb Em
[slowly repeat over & over; whole song]

Em Em7 Em7bb Em
"For millions of years, mankind lived much like the animals.
Em Em7bb
Then something happened which unleashed the power of our
imagination: We learned to talk"

Em Em7
1:31 There's a silence surrounding me I can't seem to think straight
Em7bb Em
I'll sit in the corner And no one can bother me

1:50 I think I should speak now (Why won't you talk to me?)
I can't seem to speak now (You never talk to me)
My words won't come out right (What are you thinking?)
I feel like I'm drowning (What are you feeling?)

2:10 I'm feeling weak now (Why won't you talk to me?)
But I can't show my weakness (You never talk to me)
I sometimes wonder (What are you thinking?)
Where do we go from here (What are you feeling?)

2:39 - 2:47 [Interlude: Stephen Hawking]
"It doesn't have to be like this
All we need to do is make sure we keep talking"

2:48 - 4:03 [Instrumental Break]

4:04 - 4:25 [Verse 2: David Gilmour]
(Why won't you talk to me?) I feel like I'm drowning
(You never talk to me) You know I can't breathe now
(What are you thinking?) We're going nowhere
(What are you feeling?) We're going nowhere

4:25 - 4:51
Why won't you talk to me?
You never talk to me
What are you thinking?
Where do we go from here?

4:53 - 5:21 [Outro: Stephen Hawking]
It doesn't have to be like this
All we need to do is make sure we keep talking

5:21 - 6:12 OUTRO INSTUMENTAL
