Gm Eb

Then you went riding up the coast

Now all these things we leave unspoken
F C
Seem to haunt me like a ghost

CHORUS:

Lost you in the canyon

Guess you tried to let me know

A long, long time ago

Lost you in the canyon

Brother you fade out slow

[Brief Interlude: Gm Eb F Gm]

F Gm
Before these changes came to pass
Gm Eb
But you don't think about it do you?

From up there in your house of glass
