

SEVEN BRIDGES ROAD by Joan Baez

Video: <http://tinyurl.com/mcynq2c> (Key of A)

Intro: A G D A

A G D A
There are stars in the southern sky

A G D A
It's Southward as you go

A G D A
There is moonlight and moss in the trees

A G D A
On the seven bridges road I go.

I loved you like a baby
Like some motherless child
I loved you in a tame way
And I can love you wild.

Bridge:

D A
Sometimes there is a part of me

D A
That could turn away and go

D A
Running like a child beneath warm stars

A G D A
On the seven bridges road I go.

Interlude: A G D A

There are stars in the southern sky
If ever you should go
There's a taste of damn sweet honey
On the seven bridges road I go...

Repeat BRIDGE

There are stars in the southern sky
It's Southward as you go...

=====
