Bb Am7 G Gsus G Gsus
I have dreaded the coming of f'so long
C G Bb Am7 G Gsus G Gsus
I wait for the sun to remind my body it needs restin'

Dm F C G
And I must learn to live without you now
Dm F C G Gsus G Gsus
I must learn to give only part somehow

C G Bb Am7
Camping on the edge of your city I wait
F C G Gsus
Hoping someday you might see beyond yourself
C G Bb Am7
The shadows 'round the ceiling, hard but not real
F C G Gsus
Like the bars that cage you within yourself

Dm F C G
And I must learn to live without you now
Dm F C G Gsus G
I must learn to give only part somehow

01:40 [Musical Interlude] C G Bb Am7 F C G
C G Bb Am7 F C G

Dm F C G
02:04 And I must learn to live without you now
Dm F C G Gsus G Gsus
As I can not learn to give only part some how

C G Bb Am7
02:23 All of these cages must and shall be set aside
F C G Gsus
They will only keep us from the Knowing

Actors and stages now fall before the truth

And the love shared between us remains growing

And I must learn to live without you now
Dm F C G Gsus G
As I can not learn to give only part somehow
