Sometimes I get so lonely I feel like I could cry

Dm Bb

But since I saw You with that man this morning

Gm A Dm

Well I feel like I could die

Bb Dm Bb Dm

Why Why Did you leave me this way?

Bb Dm

You know you left me alone and so empty, babe

Gm A Dm

It's been so lonesome since you went away.

Dm Bb Dm Bb

Now I'm standing by my window I've decided what I will Do

Dm Bb Gm A Dm

I will never tell anybody How much I Love You
