<brief intro> **G C G C**

**G G**  
I hear people saying We don't need this war

**G C**  
I say there's some things worth fightin' for

**G G**  
What about our freedom And this piece of ground

**G C**  
We didn't get to keep 'em By backin' down

**D C**  
They say we don't realize The mess we're gettin' in

**Am Bm C Dsus D**  
Before you start to preachin' Let me ask you this my friend

**G D**  
Have you forgotten How it felt that day

**C D**  
See your homeland under fire And her people blown away

**G D**  
Have you forgotten When those towers fell

**C D**  
We had neighbors still inside them Goin' through a living hell

**C D**  
And you say we shouldn't worry 'bout Bin Laden

**G C**  
Have you forgotten?

**G G C**  
They took all the footage Off my TV Said it's too disturbing for you and me

**G G C**  
It'll just breed anger what the experts say If was up to me Id show it everyday

**D C**  
Some say this country's Just out lookin' for a fight.

**Am Bm C D**  
After Nine-Eleven, Man, Id have to say that's right.
